					Management and Finance
20.	Academic mobility support	Erasmus+, International Credit Mobility, European Commission	2016-2018	University of Cadiz (Spain)	Department of External Affairs, Institute of Social and Philosophical Sciences and Mass Communications
21.	Cultural contact and conflict zones in Eastern Europe	DAAD	2013–2016	Justus Liebig University Giessen, Giessen Center for Eastern European Studies (GiZo), Herder-Institut für historische Ostmitteleuropaforschung, Belarusian State University (Belarus), University of Lodz (Poland), Universităţii Babeş-Bolyai (Cluj-Napoca, Romania), Abylai-Khan Kazakh University of International Relations and World Languages (Kazakhstan)	Institute of Philology and Intercultural Communication
22.	Associative, evaluative and conceptual components of mental representations of mental states	DAAD, Ministry of Education and Science of the Republic of Tatarstan («Evgeni Zavoisky Program»)	2016-2017	University of Hildesheim (Germany)	Institute of International Relations, History and Oriental Studies
23.	Volga Federal District as an indicator of the language policy of the multinational Russian Federation	DFG	2014-2016	Justus Liebig University Giessen, Giessen Center for Eastern European Studies GiZo (Germany)	Institute of Philology and Intercultural Communication
24.	Study of Unconventional Triplet Superconductivity and Spin-Valve Effects in Superconductor/Ferromagnet Nanolayered Heterostructures GZ: HO 955/9-1	DFG	2014-2017	University of Augsburg (Germany)	Institute of Physics

25.	Multistratigraphic framework for continental Permian Triassic boundary sections of northern Pangaea: a key to a better understanding of the ecological consequences of the end-Permian crisis in the terrestrial realm	DFG	2015-2016	International Subcommission on Permian Stratigraphy (SPS)	Institute of Geology and Petroleum Technologies
26.	Pilot study of evolution of Late Palaeozoic insects of the Souss basin, Morocco	DFG	2015-2016	International Subcommission on Permian Stratigraphy (SPS)	Institute of Geology and Petroleum Technologies
27.	Revision of the basal sphenacodonts (Haptodontinae): systematic and evolutionary implications	DFG	2015-2016	International Subcommission on Permian Stratigraphy (SPS)	Institute of Geology and Petroleum Technologies
28.	Bi- and multilingualism between conflict intensification and conflict resolution. Ethno-linguistic conflicts, language politics and contact situations in post-Soviet Ukraine and Russia	Volkswagen Foundation	2016-2019	University of Giessen (Germany), National Academy of Ukraine (Ukraine)	Institute of Social and Philosophical Sciences and Mass Communication, Institute of Philology and Intercultural Communication
29.	Carbo-Perm	German Federal Ministry of Science and Education (BMBF)	2015-2016	The Alfred Wegener Institute of Polar and Marine Research, University of Potsdam (Germany)	Institute of Geology and Petroleum Technologies
30.	Climatic and environmental conditions changing in the New East Siberian Islands and in the Laptev Sea coast, based on the data of pollen and cladoceran analyzes	German Federal Ministry of Science and Education (BMBF)	2015-2016	The Alfred Wegener Institute of Polar and Marine Research, University of Potsdam (Germany)	Institute of Geology and Petroleum Technologies
31.	Arctic Ecological Network: Modern and fossil bioindicators in the	German Federal Ministry of Science and Education	2014-2016	Free University of Berlin (Germany)	Institute of Geology and Petroleum Technologies

	(sub-) Arctic (Arc-EcoNet)	(BMBF)			
32.	Spectrum-Roentgen-Gamma mission	Max Planck Institute for Astrophysics (Germany), Roscosmos Corporation (Russia)	2016-2025	Max Planck Institute for Astrophysics (Germany), Space Research Institute of RAS (Russia)	Institute of Physics
33.	Development of new approaches to storage of biomaterials for medical and agricultural purposes	Russian Federal Targeted Program "Research and development", National Institute of Agrobiological Sciences (Tsukuba, Japan)	2014-2016	National Institute of Agrobiological Sciences (Tsukuba, Japan)	Higher Institute for Information Technology and Information Systems
34.	Regulation mechanisms of stress response to dehydration in Chironomids P. vanderplanki cells and tissues	Russian Science Foundation	2014-2016	National Institute of Agrobiological Sciences (Tsukuba, Japan)	Institute of Fundamental Medicine and Biology
35.	Modeling of organic and metabolic reactions by cheminformatics methods: from the empirical to the predictive chemistry	Russian Science Foundation	2014-2016	Prof. A. Varnek, Prof. O. Klimchuk University of Strasbourg (France), Dr. A. Tropsha, University of North Carolina (USA), Prof. I. Tetko, Muenchen Institute of Structural Biology (Germany)	Institute of Chemistry
36.	Mathematical modeling of nonlinear processes of interaction of fields in Inhomogeneous spaces	Russian Foundation for Basic Research (RFBR)	2014-2016	<u>University of Princeton</u> (USA)	Institute of Computational Mathematics and Information Technologies
37.	Enhancers for local drug delivery in inner ear tissues based on oxy-alkylated polymers	Russian Foundation for Basic Research (RFBR), Royal Society	2016-2017	University of Brighton (UK)	Institute of Fundamental Medicine and Biology
38.	Language and culture of Russian Germans in	Russian Foundation for Basic Research	2015-2017	International Council for Multilingualism and Intercultural	Elabuga Institute

	immigration: the problems of self-presentation and self-identification	(RFBR)		Communication (Germany)	
39.	Searching for common signatures in deep time: bio-correlation of Permo-Triassic continental sedimentary successions with tetrapods from Russia and South Africa	Russian Foundation for Basic Research (RFBR), South Africa National Foundation	2015-2016	University of Pretoria (South Africa)	Institute of Geology and Petroleum Technologies
40.	Development of ultrafast calorimetry methods for the study of polymers, composite and bio-materials	Research Mega-grant by the Russian Government (Order №220)	2016-2020	Rostok University (Germany)	Institute of Chemistry
41.	Introduction of technology of problem-oriented education in educational process of high school and school	Ministry of Education and Science of the Republic of Tatarstan	2016-2017	Center for Contemporary Pedagogics (Montreal, Canada), III Institute for intellectual integrations (Vienna, Austria)	Elabuga Institute
42.	Functional photonic programmable materials for biomedical and info-communication applications	Kazan Federal University, National Hellenic Research Foundation (Greece)	2014-2019	National Hellenic Research Foundation (Greece), Belarusian National Technical University (Belarus), Moldova State University (Moldova)	Institute of Physics
43.	Learning to Teach: Building Global Research Capacity for Evidence-Based Decision Making	Kazan Federal University, University of Oxford (UK)	2016	Oxford University (UK)	Institute of Psychology and Education
44.	Molecular and cell interactions in autoimmune pathology	Kazan Federal University, University of Pennsylvania (UPenn) (USA)	2014-2016	University of Pennsylvania (UPenn), Children's Hospital of Philadelphia (USA)	Institute of Fundamental Medicine and Biology
45.	Molecular and cell mechanisms of hemostasis and thrombosis	Kazan Federal University, University of Pennsylvania (UPenn) (USA)	2014-2016	University of Pennsylvania (UPenn) (USA)	Institute of Fundamental Medicine and Biology
46.	Motor rehabilitation	Kazan Federal University, University of	2016-2017	University of California, Los Angeles (USA)	Institute of Fundamental Medicine and

		California, Los Angeles (USA)			Biology
47.	Climate-environmental deteriorations during greenhouse phases: Causes and consequences of short-term Cretaceous sea-level changes	UNESCO	2013-2017	University of Vienna (Austria), Nanjing University (China), Goethe-Universität Frankfurt (Germany), Jahangirnagar University (Bangladesh), East Technical University (Turkey)	Institute of Geology and Petroleum Technologies
48.	Models and Computability	NSF	2015-2017	University of Notre Dame du Lac, The University of Wisconsin–Madison, City University of New York, University of Chicago (USA), Nazarbayev University (Kazakhstan)	Institute of Mathematics and Mechanics
49.	World Digital Mathematics Library	Alfred P. Sloan Foundation, Wolfram Foundation	2016	The Fields Institute for Research in Mathematical Sciences (Canada)	Higher Institute for Information Technology and Information Systems
50.	Integrated Reporting and Sustainability Reporting: An Exploratory Study of High Performance Companies	DePaul University (USA)	2015-2016	DePaul University, Northwestern University (USA)	Institute of Management, Economics and Finance
51.	Russian-U.S. Summer School "Biodiversity, Protected Areas and Bioresources Management"	Fulbright Program	2015-2016	Evergreen State College (USA)	Institute of Environmental Sciences
52.	Protein-cell interactions	University of Pennsylvania (UPenn, USA)	2014-2016	University of Pennsylvania (UPenn, USA)	Institute of Fundamental Medicine and Biology
53.	Search of new markers of resistance to the EGFR inhibitors	The US-Russia University Partnership Program (UPP)	2015-2016	Rutgers University (USA)	Institute of Fundamental Medicine and Biology
54.	Molecular and Biochemical Bases of Pathogenesis and Therapy of Cancer Diseases	Fox Chase Cancer Center (USA)	2015-2016	Fox Chase Cancer Center (USA)	Institute of Fundamental Medicine and Biology
55.	Implementation of	World Health	Continuing	World Health	Institute of

	the methodology of problem teaching of clinical pharmacology and rational pharmacotherapy and evaluation of its effectiveness for public health service	Organization	cooperation	Organization: European Bureau, Copenhagen (Denmark), Free University of Amsterdam (VU Amsterdam, The Netherlands)	Fundamental Medicine and Biology
56.	Implementation of the evaluation methodology for rational use of medicines	World Health Organization	Continuing cooperation	World Health Organization, Headquarters (Genève, Switzerland)	Institute of Fundamental Medicine and Biology
57.	E-lek (E-drug) - an electronic forum on essential medicines	World Health Organization	Continuing cooperation	World Health Organization, Headquarters (Genève, Switzerland), Harvard Medical School (Boston, USA)	Institute of Fundamental Medicine and Biology
58.	Rational use of medicines, pharmaceutical advertising, ethical aspects of drug promotion and pricing.	Health Action International (Amsterdam, the Netherlands)	Continuing cooperation	Health Action International (Amsterdam, the Netherlands)	Institute of Fundamental Medicine and Biology
59.	Development of systematic reviews, dissemination of the new knowledge from systematic reviews and training	Cochrane Collaboration	Continuing cooperation	Consortium of Research Programs for Effective Health, Liverpool School of Tropical Medicine, University of Liverpool, Cochrane Infectious Diseases Group	Institute of Fundamental Medicine and Biology
60.	Study of Arctic ecosystems under the influence of current climate changes in the region	Norwegian-Russian Programme of the Barents Sea ecosystem survey INAMON	2015-2016	Institute of Marine Research (Norway); Greenland Institute of Natural Resources (Denmark)	Institute of Fundamental Medicine and Biology
61.	Improvement of the tax system of oil production in the Russian Federation	British Petroleum	2016-2017	British Petroleum	Institute of Computational Mathematics and Information Technologies
62.	Pasture digression in the prairies of the northern part of Central Mongolia	Mongolian Academy of Sciences, Institute of Botany (Mongolia)	2015-2016	Mongolian Academy of Sciences, Institute of Botany (Mongolia)	Institute of Fundamental Medicine and Biology
63.	1000 talents (The	Chinese	2016-2018	Tianjin University of	Institute of
