

*Russia begins  
with the Russian language!*

Elabuga Institute of Kazan Federal University would welcome anyone to the courses of the Russian language, Russian culture and Russian traditions. «RuStart» is an excellent program both for the beginners and those who challenge to master his or her language and to speak idiomatic Russian.

Reasonably-priced and open to the trainees: the exchange projects, internships, part-time and full-time tuition in EI KFU

**Children of Russian-speaking compatriots are granted allowances.**

### **WE OFFER:**

- **from each according to his ability, to each according to his need!**  
the development of individual educational modules by our experts, tailored to individual needs of the client: aims of study, apprenticeship, the sphere of the language use, the level of language proficiency (from A0 to C1). The tuition involves creating groups of 7-8 members depending on the level of trainees' knowledge of Russian.
- **on line and off line!**  
distant and extra-mural programs (webinars, tasks by correspondence) with the classroom completion – summer, autumn and winter courses in Elabuga.
- **educational tourism!**  
exchange educational projects (for schoolchildren, university students, and trainees).
- **Russian for special purposes!**  
professional modules for specialists of the free economic zone “Alabuga”.
- **ready for work after completion of courses!**  
high stakes testing in Russian as a foreign language, certificates of Moscow State University (the right to education and work in Russia); opportunities for paid apprenticeship and volunteerism.
- **full package of services!**  
You choose the terms, we organize everything: from granting a visa to accommodation and cultural program.
- **our representatives in different parts of the world!**  
You can always apply to our representatives who can speak your mother tongue and who live next to you!
