

HERALD OF RUSSIAN-INDIAN NETWORK

Welcome to new RIN member

KALININGRAD STATE
TECHNICAL
UNIVERSITY

Kaliningrad State Technical University (KSTU) is one of the biggest and the oldest engineering universities in the westernmost region of Russia. Today it represents a new educational complex established by the Russian Federal Fishery Agency, This complex includes KSTU, Baltic Fishing Fleet State Academy (BFFSA), Kaliningrad Marine College and a branch of KSTU set up on the basis of St.Petersburg Sea Fishing College. It provides a wide range of opportunities for education. A student can choose between 23 Bachelor Degree programs and 15 Master Degree programs in the fields of power engineering, shipbuilding, ecology, commercial fishery, aquaculture, economics, management, construction, technosphere safety, IT, construction, biotechnology, etc. There are also postgraduate programs for PhDs and Doctors of Science, retraining programs and professional development programs.

KSTU has a modern research infrastructure with laboratories, small innovative enterprises, technological cluster and students' design bureau. Priority research areas are aquaculture and aquatic biological resources, sustainable nature management, food biotechnology, power engineering and energy consumption, commercial fishery, nanotechnology, machine and ship building, upgrading of agro-industrial complex, etc.

KSTU has been admitting foreign students for over 50 years. More than 1500 graduates are overseas students from Africa,

Europe, Latin America and Middle East. Main international activities of KSTU include exchange of students and academic staff, participation in joint scientific researches, international projects, conferences and exhibitions; perfection of students' language skills and development of intercultural relations.

RIN Coordinator of KSTU:

Mrs. Anna Sokolovskaya

In this issue of e-Newsletter:

Welcome new RIN member.....	p.1
RIN Members Announcements.....	p.2
Tenders.....	p.3
Events.....	p.4-6

E-Newsletter is released on monthly basis. We invite organizations, agencies, institutes and universities of Russia and India to send information and news for publishing in e-Newsletter. We accept the following types of information:

- 1) upcoming conferences, seminars, summer/winter schools;
- 2) grants and contests;
- 3) scholarships/call for papers;
- 4) proposals for joint projects;
- 5) news about achievements and new research directions;
- 6) information about departments and faculties looking for partners in Russia and India;
- 7) vacancies.

RIN MEMBERS ANNOUNCEMENTS

Lipetsk State Pedagogical

P. Semenov-Tyan-Shansky University

Lipetsk State Pedagogical P. Semenov-Tyan-Shansky University is happy to greet all the members of RIN. We sincerely thank you for allowing our university be a part of the Network and offer cooperation and partnership in the following areas:

1. Bilateral students' and teachers' exchange programmes in the field of the Russian or the English language. Programmes in English are available in the Institute of Philology.
2. Russian language courses (250 AH, 3 months) for all levels from Beginner.
3. Preparatory Department for foreign citizens which enables the student to further study for Bachelor's and Master's Degree at Lipetsk State Pedagogical P. Semenov-Tyan-Shansky University without entrance examinations. The learning profiles include Technical, Economics, Biomedical, and Humanities.
4. Joint publication of articles on problems of education and teacher training in Russian and English languages.
5. International conferences and forums, organized by Lipetsk State Pedagogical P. Semenov-Tyan-Shansky University and other universities of the region.
6. Leisure Activities Services (camp counseling, animators) and development of summer leisure activities for children of all ages and students.

We will be happy to negotiate on other forms of cooperation with the RIN members.

VI International Scientific Conference "Current issues Problems of Continuum Mechanics and celestial mechanics– 2016"

16-18 November, 2016

Students and young researchers are invited to participate in the conference. Conference languages: Russian and English. Face-to-face and virtual forms of participation are possible. Conference abstracts will be published in the Proceedings of Tomsk State University. Authors of the best presentations will get an opportunity to publish their papers in the Tomsk State University Journal.

CONFERENCE ISSUES

1. Explosion and detonation processes and properties of matter under high energy impacts
2. Numerical methods, algorithms, programs and exact solutions of continuum mechanics problems
3. New materials research in application to continuum mechanics
4. Ballistics and celestial mechanics
5. Pure mathematics problems
6. "Mathematics, mechanics and computer science" section for schools

The list of issues can be extended. International Committee Members: L. Kruzha, Ph.D., Military University of Technology (Poland), N. Fomin, Professor, Ph.D., A.V. Luikov Heat and Mass Transfer Institute of NASB (Belorussia), K. Kusainov, Professor, Ph.D., The Karaganda State University of the name of academician E.A. Buketov (Kazakhstan), A. Brara, Ph.D., director of CNERB Research Center (Algeria), M. Milinovich, professor, Ph.D., University of Belgrad (Serbia), Hussam Ali Khalaf, PhD Marshes Research Center, University of Thi-Qar (Iraq), Pascal Forquin, Prof. Dr., Université Joseph Fourier, France, M. Drdlova, PhD, Research Institute for Building Materials (Czech Republic)

Registration of participants deadline: 15.11.2016

Receiving the materials for the publication deadline: 17.11.2016

For more details please contact:

Tel.: +79059905354 Maxim Orlov (Faculty of Physics and Engineering)

TENDERS

Tender No. SPO / 2016 / GT/1

Date: 08/09/2016

NOTICE INVITING TENDER UNDER Open International Competitive Bidding

CSIR* - CENTRAL ELECTROCHEMICAL RESEARCH INSTITUTE

Phone: 04565- 227206, 241226, 241 217

Fax: 04565- 227206

E-mail: spo@cecric.res.in, purchase@cecric.res.in

Sealed tenders are invited under Two-bid system (Part-I TECHNICAL BID & Part-II COMMERCIAL BID) from reputed manufacturers and their accredited/sole selling agents who are registered with DGS&D as Indian Agents of Foreign Principals for "Supply, Installation, Commissioning and Satisfactory Demonstration and Support" of the following item:

1. Custom Made and Modular Glove

File No. CECRI / 2016 / 32862

Bid security/ Earnest money deposit: Rs. 2,50,000/- or Euro 3300 or USD 3500

2. Bench-top Membrane Inlet Mass Spectrometer with DEMS Half-Cell for Electrochemistry – Differential Electrochemical Mass Spectrometer (DEMS)

File No. CECRI / 2016 /35047

Bid security/ Earnest money deposit: Rs. 1,10,000/- or Euro 1700 or USD 1600

Last Date of Download of Tender Documents: 05/10/2016 17.30HRS. IST

Last date for submission of Tenders : 06/10/2016 up to 11.00 HRS IST

Date of opening of Technical Bids : 06/10/2016 up to 11.30 HRS IST

For further details regarding specifications, terms and conditions etc., please see the relevant tender document in our website www.cecric.res.in.

I/C MM, Basin, Oil & Natural Gas Corporation Ltd., Vadodara, India, has floated e-tender to invite e-bids as per details given below in two bid system under Open International Competitive Bidding through its e. procurement site.

Details of the tender has been uploaded in ONGC website <http://e-tenders.ongc.co.in>.

The details of the tender notice is as below :

Tender No: B28RC16001

(i)Description: Supply of Bridge Plug & Cement Retainers

(ii) Tender fee For Foreign Bidder : US\$ 200.00 For Indian Bidder : Rs. 12,000.00

(iii) Sale period: 13.09.2016 to 09.11.2016

(iv) Last date of receipt of Pre-Bid queries: 04.10.2016

(v) Pre-Bid Conference date & time: 10.10.2016 at 11.00 hrs.

(vi) Techno-commercial bid closing date/time:

09.11.2016 (14.00 hrs) / opening

date/time: 09.11.2016 (15.00 hrs.)

For other details and information of this tender including corrigendum and extensions if any, please visit ONGC web site "tenders.ongc.co.in" and "etender.ongc.co.in".

New vendors should ensure to approach ONGC for issue of vendor code number along with all the required documents minimum 5 working days prior to bid closing date.

EVENTS

BioAsia 2016 6-8 February 2017 Hyderabad, India

Over the past few years, India has seen unprecedented growth in the Life Sciences sector both as a producer of medicinal products and more recently as one of the world's most prominent market for healthcare products and services. The growth in the sector has been driven by significant investments and initiatives by both the public and the private sector. Given the multifaceted advantages across the Life Sciences value chain (R&D, Manufacturing and Commercial) supported by emerging regulatory environment, India has finally emerged. Now is the time for both local and global stakeholders to act together and leverage power of India to provide access to quality healthcare products to billions of people around the world. With this context, the fourteenth edition of BioAsia will discuss the foundation and initiatives required to achieve this glorious future. This year's Summit will deliberate on the implementation of the key themes identified in the New Education Policy for higher education and promote India as a Global Education Hub by attracting foreign Universities, Institutions, faculty and other stakeholders and encourage them for collaborations and partnerships. In addition to the two day Conference and Master Classes there will be about 100 exhibitors from top of the line Indian Institutions showcasing the best practices to the global participants.

Technology Conferences of BioAsia is a Science-Business bridge, that aims to bring together a trans-disciplinary environment for driving innovation in the life sciences industry. The tech conferences have been carefully structured in order to leverage technology trends for business relationships and help you put technology in the development relay across the world through co-development opportunities. While presenting an opportunity to explore partnerships and channels for extending businesses between industry and academia, BioAsia's tech conferences will cover contemporary developments in research and will assist in building capabilities to break the technology development resistors for smooth flow of technology and collaborations.

- ❖ List of Conferences to be hold on February 7-8, 2016 :
- ❖ Innovation Conference

Diagnostics and Automation Conference
Clinical Research Conference
Health and Access Conference
Digital Health and Healthcare IT Conference
Manufacturing Conference

37 start-ups featured in BioAsia 2016, representing countries like India, Singapore and Sri Lanka, adding an international flavour to the start-up showcase. The following 5 start ups were selected by the jury for the start-up pitching session and were awarded citation titled:

AXIO BIOSOLUTIONS
BOOKMEDS
CALL AMBULANCE
CENTRE FOR TECHNOLOGY ASSISTED
RECONSTRUCTIVE SURGERY
OURHEALTHMATE

BRICS

INDIA : 2016

BUILDING RESPONSIVE, INCLUSIVE & COLLECTIVE SOLUTIONS

India will host the 8th BRICS Summit during its Chairmanship which is scheduled to take place on 15-16 October 2016 in Goa. The theme of India's BRICS Chairmanship is Building Responsive, Inclusive and Collective Solutions.

During India's BRICS Chairmanship, we will adopt five-pronged approach:

- (i) Institution building to further deepen, sustain and institutionalise BRICS cooperation;
- (ii) Implementation of the decisions from previous Summits;
- (iii) Integrating the existing cooperation mechanisms;
- (iv) Innovation, i.e., new cooperation mechanisms; and
- (v) Continuity, i.e., continuation of mutually agreed existing BRICS cooperation mechanisms.

In short, the Indian approach towards its BRICS Chairmanship could be captured by 'IIIC or I4C'.

The focus during India's BRICS Chairmanship will be on enhanced people-to-people (P2P) contacts of BRICS member states, especially youth. In this context, India has planned activities like U-17 Football Tournament, Youth Summit, Young Diplomats' Forum, Film Festival etc.

BRICS brings together five major emerging economies, comprising 43% of the world population, having 37% of the world GDP and 17% share in the world trade.

The acronym BRIC was first used in 2001 by Goldman Sachs in their Global Economics Paper, "The World Needs Better Economic BRICs" on the basis of econometric analyses projecting that the economies of Brazil, Russia, India and China would individually and collectively occupy far greater economic space and would be amongst the world's largest economies in the next 50 years or so.

As a formal grouping, BRIC started after the meeting of the Leaders of Russia, India and China in St. Petersburg on the margins of G8 Outreach Summit in 2006. The grouping was formalized during the 1st meeting of BRIC Foreign Ministers on the margins of UNGA in New York in 2006. The 1st BRIC Summit was held in Yekaterinburg, Russia, on 16 June 2009.

It was agreed to expand BRIC into BRICS with the inclusion of South Africa at the BRIC Foreign Ministers' meeting in New York in September 2010. Accordingly, South Africa attended the 3rd BRICS Summit in Sanya, China on 14 April 2011.

Starting essentially with economic issues of mutual interest, the agenda of BRICS meetings has considerably widened over the years to encompass topical global issues. BRICS cooperation has two pillars – consultation on issues of mutual interest through meetings of Leaders as well as of Ministers of Finance, Trade, Health, S&T, Education, Agriculture, Communication, Labour, etc. and practical cooperation in a number of areas through meetings of Working Groups/Senior Officials. Regular annual Summits as well as meetings of Leaders on the margins of G20 Summits are held.

BRICS TRADE FAIR

12th -14th October 2016, New Delhi

"BUILDING RESPONSIVE, INCLUSIVE & COLLECTIVE SOLUTIONS"

FOCUS AREAS

Goods and Services

- Aerospace
- Agriculture and Agro Processing
- Auto and Auto Components
- Chemicals
- Gems and Jewellery
- Green Energy
- Handicrafts
- Healthcare and Pharmaceuticals
- High Technology (Including Railways)
- Home Textile and Furnishing
- Information and Communication Technology
- Infrastructure (Including Urban Infra)
- Leather & Footwear
- Machine Tools
- Metals and Metallurgical Industries
- Skills Development
- Textile, Apparel & Sportswear
- Tourism
- Water

Showcasing Technologies

- Start Ups
- Sustainable Innovations

VISITORS' PROFILE

- Top Management, CEOs, Technocrats and Scientists
- Marketing Chiefs, Professionals, Procurement Heads and Consultants
- Investment Promotion Agencies & Investors from BRICS countries
- Senior Government Officials including Diplomats
- Industry Associations and Business Delegations from BRICS countries
- Development Banks, Export Credit Agencies, Commercial Banks & Financial Organizations from BRICS countries
- Innovators / Technology Solution Providers from BRICS countries
- Venture capitalists and Angel Investors from BRICS countries

SPACE RENTALS

Participant	Bare Space/sq.m. (minimum area available 36 sq.m.)	Shell Stand/sq.m. (minimum area available 9 sq.m.)
