<p>Housing</p>	<p>Finding accommodation is a very difficult issue here in Innsbruck. The students must apply as soon as possible to get a room in a student home (Studentenheim). Winter term: application recommended in March Summer term: application recommended in September Students must send the reservation deposit immediately, otherwise the application will not be handled. The rooms are given on a first come, first served basis.</p> <p>The students will find more information on the following link: http://www.housing.oead.ac.at/index.asp</p> <p>Due to the tense housing situation in the first semester, we would highly recommend that students apply for the summer term. Ski and winter sport enthusiasts should know that snow conditions will be good and most ski resorts will be open until mid-, end of April.</p>
