

**Казанский  
федеральный  
УНИВЕРСИТЕТ**

Dear colleagues,

We invite you to take part in the 5th International Scientific and Practical Conference **RELIGION AND SCIENCE: TRANSFORMATION OF RELIGIOSITY IN THE MODERNISING SOCIETY** (dedicated to the 220th anniversary of Kazan University), which will take place on March 1, 2024 at 10.00 at Kremlyovskaya 35 auditorium 1611. Professors and lecturers, graduate students and master's students are invited to participate.

The following topics will be discussed at the conference:

- Study of religion at Kazan University
- Religion and digital society: myths and constructs of the changing everyday reality
- Sacred and profane in the modernizing society: boundaries and interaction
- The life world of the religious community
- Language of religion in historical perspective
- State and confessional relations in Russia and the world: ideology and pragmatics and their reflection
- Sacred texts and their interpretation

To participate in the conference please fill out the electronic form by February 20, 2024 inclusive:

<https://forms.yandex.ru/cloud/6536bd7473cee7afc724ff2b/>

Travel and accommodation of the participants will be at the expense of the directing organization. Online participation is possible. The best reports will be published in the conference collection. One of the conditions for publication is the full-time participation of the speaker in the conference.

*Sincerely, Organizing Committee*
