

Kazan Golovkinsky Young Scientists' Stratigraphic Meeting 2020

and Young Scientists' Summer School

Sedimentary Earth Systems: Stratigraphy, Geochronology, Petroleum Resources

September 22-26, 2020, Kazan, Russia

Dear participants!

After careful consideration of the increasing spread of the coronavirus (COVID-19) the Organizing Committee of the Kazan Golovkinsky Young Scientists' Stratigraphic Meeting 2020 and Young Scientists' Summer School has taken the difficult decision to postpone the Meeting until September 22 -26, 2020.

Registration and abstracts submission extended until August 15, 2020.

Proceedings submission also extended until August 15, 2020.

ORGANIZING COMMITTEE

Chairman of the Organizing Committee

Professor **Danis K. Nurgaliev**

Vice-Rector for Research of the Kazan Federal University
Director of the Institute of Geology and Petroleum
Technologies

SCIENTIFIC COMMITTEE

Alexander S. Alekseev, Alexander S. Biakov, Vladimir I. Davydov, Valeriy K. Golubev, Alexander O. Ivanov, Anton N. Kolchugin, Olga L. Kossovaya, Galina V. Kotlyar, Elena I. Kulagina, Ruslan V. Kutugin, Spencer Lucas, Serge V. Naugolnykh, Svetlana V. Nikolaeva, Nuriya G. Nurgalieva, Boris V. Platov, Ausonio Ronchi, Viktor A. Saldin, Shuzhong Shen, Marcello G. Simoes, Miroslaw Slowakiewicz, Svetlana O. Zorina

SESSION TITLES

1. Stratigraphy, Paleontology
 2. Geochemical methods and their application in different aspects of geology
 3. Environments, Palaeoclimate, Palaeogeography, Biota and Facies
 4. Mineralogy, Lithology, Geophysical methods, Resources
 5. Temporal and spatial aspects of sedimentary basin evolution: types of basins, stages of development, modelling and petroleum potential
-

PROGRAMME OF THE SUMMER SCHOOL

Jörg W. Schneider. Introduction on nonmarine global biostratigraphy

Mirosław Slowakiewicz. Essentials of petroleum geochemistry

Nurgalieva N. Sr- and C- isotope stratigraphy

Andreas Brosig. Temporal and spatial aspects of sedimentary basin evolution: types of basins, stages of development, modelling and petroleum potential

Boris Platov. Seismic facies analysis

Svetlana Zorina. Sequence stratigraphy: major definitions and implications in platformal basins

Anton Kolchugin. Classification of carbonate rocks and the main depositional settings of carbonate precipitation

MEETING FORMAT

Plenary lectures are limited to 20 minutes; regular talks are limited to 10 minutes (+ 5 minutes for questions and discussion). The poster session will run throughout the conference. Speakers will be limited to two presentations (talks) at the meeting.

LANGUAGE: The official languages for the scientific program and all the business of the meeting are Russian and English. **Abstracts will be accepted in English.** Oral presentations must be in English.

CALL FOR ABSTRACTS

Abstracts of oral and poster presentations are invited. Please indicate your preference when submitting. All submissions will be peer-reviewed and published in an Abstract Volume. Please submit abstracts by e-mail (attached file in .doc, .docx or .rtf format) to: young_golovkinsky2020@kpfu.ru

Deadline for abstract submission is August 15, 2020

Please check the abstract template and example on the conference website:

SCHEDULE FOR MEETING

September 22, 2020: Opening Ceremony, Scientific Sessions; **Young Scientists' Summer School**

September 23, 2020: Scientific Sessions; **Young Scientists' Summer School**

September 24, 2020: Scientific Sessions; **Young Scientists' Summer School**

September 25, 2020: Field trip to the stratotype of the Kazanian Stage (marine carbonates: tempestite, sebkha, microbial facies)

September 26, 2020: Field trip to the type section of the Urzhumian Stage (continental red beds: sebkha, microbial facies, palaeosols)

REGISTRATION

Registration form is available on the website: https://kpfu.ru/young_golovkinsky2020/registration

Registration Deadline: August 15, 2020.

REGISTRATION FEES:

15 Euros, includes meeting fee, abstracts volume, and refreshments during session breaks, and + **200 Euros** for participation in the Field Trip

10 Euros – remote Participation in the Meeting

IMPORTANT DATES

February 09, 2020: First Circular available for distribution through mail and online.

April 16, 2020: Second Circular with **detailed description of Summer School** available for distribution through mail and online.

August 15, 2020: Deadline for registration and abstract submission.

September 1, 2020: Third Circular with the final Program of the Meeting available for distribution through mail and online.

August 16, 2020: Deadline for Proceedings submission.
