

Annex 4

to the Admission Regulations of the Federal State Autonomous Institution of Higher Education "Kazan (Volga Region) Federal University" for 2023/2024 academic year

Prospective admission numbers for international applicants - Master's academic programs
for 2023/2024 academic year

| Major/Speciality | | | Education level (Master's program) | Period of study | Mode of study (full-time/ part-time/ extramural) | Fee coverage (budget-funded/ tuition fee-based studies) | Entrance exams (subjects by their importance) | Conduct form entry exams | Minimum points (on each subject) sufficient to secure the admission to the program | Number of international applicants admitted for studies in 2023/2024 academic year | Network format | Program double |
|--------------------------------------------------------|------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|-----------------|-----------------------------------------------------------|------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|----------------|----------------|
| Code | Title | Master's program | | | | | | | | | | |
| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 |
| Institute of Fundamental Medicine and Biology | | | | | | | | | | | | |
| 06.04.01 | Biology | Biochemistry, Molecular Biology and bioinformatics; microbiology and virology; genetics; neurobiology; bioresources and biodiversity; bio- and nanotechnology; bioecology and conservation; biomedical sciences; plant biology and landscape design; physiological basis of functional diagnostics | Master's program | 2 years | full-time | tuition fee-based | a written exam (testing + essay) master's profile programs, interview for master's profile programs | in writing orally | 40 40 | 3 | no | no |
| 32.04.01 | Public health | Health and longevity | Master's program | 2 years | full-time | tuition fee-based | a written exam (testing + essay) master's profile programs, interview for master's profile programs | in writing orally | 40 40 | 5 | no | no |
| Institute of Environmental Sciences | | | | | | | | | | | | |
| 05.04.06 | Ecology and Natural resources management | Environmental safety and management in environmental protection | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 5 | no | no |
| Institute of Geology and Petroleum Technologies | | | | | | | | | | | | |
| 05.04.01 | Geology | Modern geophysical technologies prospecting and exploration of deposits hydrocarbons (using electronic training and distance education technologies); Engineering Geology and hydrogeology of urbanized territories; Stratigraphy of oil and gas basins; Geology of useful deposits fossils; Geology and geochemistry of oil and gas (using e-learning and distance learning technologies); Digital technologies and methods modeling in oil and gas geology | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | a written exam (testing by direction programs) | 40 | 5 | no | no |
| 05.04.01 | Geology | Comprehensive data analysis in the oil and gas geology (Complex data analysis in geosciences) | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam in master's profile programs (interview on geoscience topics) | 40 | 5 | no | no |
| 21.04.01 | Petroleum engineering | Mining hard-to-recover and unconventional hydrocarbons; Integrated reservoir modeling | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | a written exam (testing by direction programs) | 40 | 10 | no | no |
| 21.04.01 | Petroleum engineering | Oil and gas engineering (Petroleum engineering), (the program is implemented on English using e-learning and distance learning educational technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam in master's profile programs (interview on the program profile) | 40 | 10 | no | no |

| | | | | | | | | | | | | |
|-------------------------------------------------------------------|--------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|------------------|-----------|-------------------|---------------------------------------------|------------------------------------------------|----------|----|----|----|
| 21.04.01 | Petroleum engineering | Technologies of oil, gas and natural bitumen | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | a written exam (testing by direction programs) | 40 40 | 5 | no | no |
| Institute of international relations | | | | | | | | | | | | |
| 58.04.01 | Oriental and African studies | Oriental languages in the field of professional communications (Chinese); Languages and literatures of the peoples of Asia and Africa (Arabic); Islamic Studies; Sociocultural space of China; Political and economic development of countries Central Asia and Turkey | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam | 40 | 3 | no | no |
| 38.04.01 | Economics | International economic relations countries of Europe and North America; World Economy and World Markets | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam | 40 | 3 | no | no |
| 41.04.05 | International relations | Digital diplomacy; European Studies; Cultural heritage management | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam | 40 | 3 | no | no |
| 41.04.01 | Foreign Regional Studies | Modern China: economics, politics, culture; Modern Euro-Atlantic Civilization: global vectors and regional peculiarities | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | interview | 40 | 3 | no | no |
| 46.04.03 | Anthropology and ethnology | Anthropology and ethnology | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral examinterview | 40 | 2 | no | no |
| 46.04.04 | Archeology | Archeology (using electronic training and distance education technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam | 40 | 2 | no | no |
| 46.04.01 | History | Historical urban studies; Historical imperiology; public history; Protection and management of objects of historical and cultural heritage | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam | 40 | 2 | no | no |
| 46.04.01 | History | History, economy and culture of the Turkic peoples | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam | 40 | 2 | no | no |
| 43.04.02 | Tourism | International tourism | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | a written exam | 40 | 3 | no | no |
| 43.04.02 | Tourism | Organization and technology of international and domestic tourism | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | a written exam | 40 | 2 | no | no |
| 50.04.03 | Art History | History of Turkic-Muslim arts peace | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam | 40 | 2 | no | no |
| 45.04.02 | Linguistics | Translation Theory: Intercultural and interlingual communication; Theory and methods of teaching foreign languages and cultures; Russian language in international activities and foreign language education (using e-learning and distance learning educational technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile tests | oral exam | 40 | 15 | no | no |
| 41.04.05 | International relations | World politics and international business | Master's program | 2 years 6 months | part-time | tuition fee-based | introductory profile tests | a written exam(testing) | 40 | 2 | no | no |
| Nikolai Lobachevsky Institute of Mathematics and Mechanics | | | | | | | | | | | | |
| 01.04.01 | Mathematics | Analysis on manifolds; Geometry and its applications | Master's program | 2 years | full-time | tuition fee-based | a written exam by profile master's programs | in writing | 40 | 3 | no | no |
| 01.04.03 | Mechanics and mathematical modelling | Mechanics of liquid, gas and plasma; Mechanics of a Deformable Solid Body; Oil and Gas Reservoir Mechanics; | Master's program | 2 years | full-time | tuition fee-based | a written exam by profile master's programs | in writing | 40 | 3 | no | no |

| | | | | | | | | | | | | |
|--------------------------------------------------|-----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|---------|-----------|-------------------|--------------------------------------------------------------|----------------|----|---|----|----|
| 02.04.01 | Mathematics and computer sciences | Methods of mathematical and algorithmic modeling general scientific and applied tasks; Statistical methods of data science | Master's program | 2 years | full-time | tuition fee-based | a written exam by profile master's programs | in writing | 40 | 3 | no | no |
| 44.04.01 | Pedagogical education | Mathematics education in digital society | Master's program | 2 years | full-time | tuition fee-based | a written exam by profile master's programs | in writing | 40 | 3 | no | no |
| Institute of physics | | | | | | | | | | | | |
| 03.04.02 | Physics | Medical physics; Physics of advanced materials; Theoretical physics and modeling physical processes | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction programs magistracy | oral exam | 40 | 2 | no | no |
| 03.04.03 | Radiophysics | Quantum devices and radio photonics; Distributed intelligent systems | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction programs magistracy | oral exam | 40 | 1 | no | no |
| 21.04.03 | Geodesy and distant zonding | Distant zonding | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction programs magistracy | oral exam | 40 | 1 | no | no |
| 27.04.05 | Innovatics | Digital transformation of enterprises | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction programs magistracy | oral exam | 40 | 1 | no | no |
| 44.04.01 | Pedagogical education | Physical and mathematical education | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction programs magistracy | interview | 40 | 1 | no | no |
| Alexander Butlerov Institute of Chemistry | | | | | | | | | | | | |
| 04.04.01 | Chemistry | Methods of analytical chemistry; Chemoinformatics and molecular modeling; Chemistry of supramolecular nano- and biosystems; Petrochemistry and catalysis; Physical and chemical research methods in chemistry; Medical chemistry; Chemistry of composite materials; Innovative materials and their methods research; Organic, organoelement and medical chemistry; Chemistry and methods of its teaching | Master's program | 2 years | full-time | tuition fee-based | Introductory profile tests | orally | 40 | 5 | no | no |
| Faculty of Law | | | | | | | | | | | | |
| 40.04.01 | Law | International Business Lawyer (The Lawyer In International Business - ongoing in English); International protection of human rights; Legal analytics; Legal support of business; Lawyer in the field of digital economy; Preliminary investigation and justice on criminal cases; Litigation lawyer in civil, arbitration and administrative process | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 40 | 7 | no | no |

| | | | | | | | | | | | | |
|-------------------------------------------------------------------------------|--------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|----------------------|------------|-------------------|------------------------------------------|----------------------------------------------|----|----|-----|----|
| 40.04.01 | Law | Legal analytics; Legal support of business; Lawyer in the field of digital economy; Preliminary investigation and justice on criminal cases; Litigation lawyer in civil, arbitration and administrative process; Anti-corruption activities and compliance | Master's program | 2 years and 5 months | extramural | tuition fee-based | introductory profile test | a written exam | 40 | 2 | no | no |
| Institute of computational mathematics and information technologies | | | | | | | | | | | | |
| 01.04.02 | Applied mathematics and informatics | Mathematical modeling of physical processes; artificial intelligence and supercomputer calculations; Data analysis and its applications; Mathematical methods and information technology in economics and finance | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 60 | 5 | no | no |
| 09.04.02 | Information systems and technologies | Information systems development technologies | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 60 | 5 | no | no |
| Institute of philology and intercultural communication | | | | | | | | | | | | |
| 44.04.01 | Pedagogical studies | Teaching Russian language and literature in middle and high school (using e-learning and distance learning educational technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 3 | yes | no |
| 44.04.01 | Pedagogical studies | Teaching English in secondary and higher school (using electronic training and distance education technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 1 | no | no |
| 44.04.01 | Pedagogical studies | Foreign languages in the field of professional communication (with application of e-learning and distance learning technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 1 | no | no |
| 44.04.02 | Pedagogical studies | Digital educational practices and technology (using electronic training and distance education technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 1 | no | no |
| 45.04.01 | Philology | Russian language and literature in space world culture (using e-learning and distance learning educational technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 12 | yes | no |
| 45.04.01 | Philology | Russian as a foreign language (with application of e-learning and distance learning technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 11 | yes | no |
| 45.04.01 | Philology | Turkology (using electronic training and distance education technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 1 | yes | no |
| 45.04.01 | Philology | International Professional communication in the Eurasian space (with application of e-learning and distance learning technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 1 | yes | no |
| 45.04.01 | Philology | Text analytics in education and science (with application of e-learning and distance learning technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | oral exam | 40 | 1 | no | no |
| Institute of social and philosophical sciences and mass communications | | | | | | | | | | | | |
| 37.04.02 | Conflict studies | Corporate conflict management and mediation in the social sphere | Master's program | 2 years | full-time | tuition fee-based | introductory tests on direction training | a written exam, portfolio, motivation letter | 40 | 2 | no | no |
| 39.04.01 | Sociology | Sociology of innovation management processes; Applied methods of digital analysis society and consumption | Master's program | 2 years | full-time | tuition fee-based | introductory tests on direction training | oral exam. a written exam, portfolio | 40 | 2 | no | no |

| | | | | | | | | | | | | |
|--------------------------------------------------------------------|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------|------------------|-----------|------------|-------------------|-------------------------------------------------------|----------------|----|----|-----|----|
| 41.04.04 | Politology | Political regionalism and ethnopolitics; Technologies of political communication, election campaign and party construction | Master's program | 2 years | full-time | tuition fee-based | introductory tests on direction training | oral exam | 40 | 2 | no | no |
| 42.04.01 | Advertising and public relations | Advertising and public relations in the system management; Geobranding; media analytics | Master's program | 2 years | full-time | tuition fee-based | a written exam (testing) by master's profile programs | a written exam | 40 | 2 | no | no |
| 42.04.02 | Journalism | New media | Master's program | 2 years | full-time | tuition fee-based | introductory profile test master's programs | a written exam | 40 | 10 | no | no |
| 42.04.04 | Television | Digital storytelling and screenwriting; Media production: Digital media and digital video production | Master's program | 2 years | full-time | tuition fee-based | introductory tests on direction training | a written exam | 40 | 2 | no | no |
| 42.04.05 | Mediacommunications | Mediacommunications for the young | Master's program | 2 years | full-time | tuition fee-based | a written exam (testing) by master's profile programs | a written exam | 40 | 2 | no | no |
| 47.04.01 | Philosophy | Contemporary philosophy | Master's program | 2 years | full-time | tuition fee-based | oral exam in master's profile programs | oral exam | 40 | 2 | no | no |
| 47.04.01 | Philosophy | Philosophy of the digital society | Master's program | 2 years | full-time | tuition fee-based | oral exam in master's profile programs | oral exam | 40 | 2 | no | no |
| 47.04.03 | Religious studies | Legal Religious Studies; Religious organizations in the social state policy | Master's program | 2 years | full-time | tuition fee-based | introductory profile test master's programs | a written exam | 40 | 2 | no | no |
| 48.04.01 | Theology | Topical issues of Christian theology: Orthodox theology; Current Issues in Islamic Theology | Master's program | 2 years | full-time | tuition fee-based | introductory profile test master's programs | a written exam | 40 | 2 | no | no |
| Institute of psychology and education | | | | | | | | | | | | |
| 37.04.01 | Psychology | Psychology of human's states | Master's program | 2 years | full-time | tuition fee-based | Interview by program profile magistracy | interview | 40 | 3 | no | no |
| 37.04.01 | Psychology | Personality psychotherapy and psychocorrection | Master's program | 2 years | full-time | tuition fee-based | Interview by program profile magistracy | interview | 40 | 3 | no | no |
| 44.04.01 | Pedagogical studies | Pedagogy and psychology of higher education | Master's program | 2 years | full-time | tuition fee-based | Interview by program profile magistracy | interview | 40 | 2 | no | no |
| 44.04.01 | Pedagogical studies | Management of educational systems | Master's program | 2 years | full-time | tuition fee-based | Interview by program profile magistracy | interview | 40 | 2 | no | no |
| 44.04.01 | Pedagogical studies | Pedagogy and psychology of primary education (using electronic training and distance education technologies) | Master's program | 2 years | full-time | tuition fee-based | Interview by program profile magistracy | interview | 40 | 15 | yes | no |
| 44.04.01 | Pedagogical studies | Supplementary education and entrepreneurship | Master's program | 2,6 years | extramural | tuition fee-based | Interview by program profile magistracy | interview | 40 | 2 | no | no |
| Institute of information technology and intelligent systems | | | | | | | | | | | | |
| 09.04.04 | Software engineering | Analytics and development management (Product development) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 40 | 1 | no | no |
| 09.04.04 | Software engineering | Intelligent robotics | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 40 | 1 | no | no |
| 09.04.04 | Software engineering | Technologies of virtual and augmented reality, game development | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 40 | 1 | no | no |

| | | | | | | | | | | | | |
|-------------------------------------------------------|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|-------------------|------------|-------------------|------------------------------------------|-----------------------------------------------------------------------------------------------|----|----|-----|----|
| 09.04.04 | Software engineering | Artificial intelligence in development digital products (using e-learning and distance learning educational technologies) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 40 | 1 | no | no |
| 09.04.04 | Software engineering | Artificial intelligence in development digital products (using e-learning and distance learning educational technologies) (Artificial Intelligence in Digital Product Development (with the use of e-learning and distance education technologies)) (the program is implemented in English) | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 40 | 10 | no | no |
| 09.04.04 | Software engineering | Digital Leadership - Ecosystem national platforms and intellectual services | Master's program | 2 years | full-time | tuition fee-based | introductory profile test | a written exam | 40 | 1 | no | no |
| Institute of management, economics and finance | | | | | | | | | | | | |
| 38.04.01 | Economics | Audit and financial management; Financial analytics; Economics and organization management: industry aspect; | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 3 | yes | no |
| 38.04.01 | Economics | Foreign economic activity in conditions of system transformations | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 38.04.02 | Management | General and strategic management (joint degree diploma in English) | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 2 | no | no |
| 38.04.02 | Management | Business and management | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 2 | no | no |
| 38.04.04 | State and municipal management | Smart city management | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 43.04.02 | Tourism | Tourism industry in global digital environment | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | yes | no |
| 05.04.02 | Geography | Economic geography and spatial development of territories | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 05.04.03 | Mapping and geoinformatics | Geoinformation and space technologies in economics and management | Master's program | 2 years, 6 months | extramural | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |

| | | | | | | | | | | | | |
|---------------------------------|----------------------------------------------------------|--------------------------------------------------------------------------------------------------------|------------------|-------------------|------------|-------------------|------------------------------------------|------------------------------------------------------------------------------------------------|----|---|----|----|
| 20.04.02 | Environmental engineering and water resources management | Security and rehabilitation of territories natural and man-made disasters | Master's program | 2 years | full-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 44.04.01 | Pedagogical studies | Ecological and geographical education | Master's program | 2 years, 6 months | extramural | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 38.04.01 | Economics | Financial analytics; Foreign economic activity in conditions of system transformations m | Master's program | 2 years, 6 months | part-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 4 | no | no |
| 38.04.02 | Management | Financial management; Project management in the field of social entrepreneurship | Master's program | 2 years, 6 months | part-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 4 | no | no |
| 38.04.08 | Finance and credit | Finance (using e-learning and distance learning technologies) | Master's program | 2 years, 6 months | extramural | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 2 | no | no |
| 38.04.01 | Economics | Accounting, audit and financial consulting; Economics and organization management: industry aspect; | Master's program | 2 years, 6 months | extramural | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 2 | no | no |
| 38.04.02 | Economics | Audit and financial management | Master's program | 2 years, 6 months | part-time | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 2 | no | no |
| 38.04.08 | Finance and credit | Islamic finance | Master's program | 2 years, 6 months | extramural | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 38.04.04 | State and municipal management | Public policy and management | Master's program | 2 years, 6 months | extramural | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 43.04.00 | Tourism | Tourism industry in global digital environment | Master's program | 2 years, 6 months | extramural | tuition fee-based | introductory test according to direction | a written exam (testing) by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| Institute of Engineering | | | | | | | | | | | | |
| 12.04.04 | Biotechnical systems and technologies | Biomedical devices, systems and complexes | Master's program | 2 years | full-time | tuition fee-based | introductory tests towards | a written exam (testing), by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |

| | | | | | | | | | | | | |
|-------------------------------------------------------|---------------------------------------|-------------------------------------------------------------|------------------|-------------------|-----------|-------------------|-------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|----|----|----|----|
| 12.04.04 | Biotechnical systems and technologies | Medical and clinical technology | Master's program | 2 years | full-time | tuition fee-based | introductory tests towards | a written exam (testing), by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 16.04.01 | Technical Physics | Plasma physics, heat engineering and hydrogen energy | Master's program | 2 years | full-time | tuition fee-based | introductory tests towards | a written exam (testing), by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 27.04.05 | Innovatics | Innovative control technologies robotic systems | Master's program | 2 years | full-time | tuition fee-based | introductory tests towards | a written exam (testing), by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 27.04.05 | Innovatics | Intellectual property | Master's program | 2 years | full-time | tuition fee-based | introductory tests towards | a written exam (testing), by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| 27.04.05 | Innovatics | Object lifecycle management fuel and energy complex | Master's program | 2 years | full-time | tuition fee-based | introductory tests towards | a written exam (testing), by direction, motivation letter, portfolio of achievements applicant | 40 | 1 | no | no |
| Institute of Design and Spatial Arts | | | | | | | | | | | | |
| 07.04.01 | Architecture | Architecture, design and engineering | Master's program | 2 years | full-time | tuition fee-based | introductory test according to profile | oral exam | 40 | 10 | no | no |
| 54.04.01 | Design | UI/UX and digital design tools | Master's program | 2 years | full-time | tuition fee-based | introductory test according to profile | oral exam | 40 | 1 | no | no |
| 54.04.01 | Design | UI/UX and digital design tools | Master's program | 2 years, 6 months | part-time | tuition fee-based | introductory test according to profile | oral exam | 40 | 1 | no | no |
| Higher School of Business | | | | | | | | | | | | |
| 38.04.01 | Economics | Business and Finance | Master's program | 2 years | full-time | tuition fee-based | a written exam (motivational letter), interview for master's profile programs | in writing, orally | 40 | 2 | no | no |
